

# The HP Advantage

## HP can help bring more value to your business

Get comprehensive solutions for all your business needs with HP. From cutting-edge PCs to exceptional services and Poly solutions, we offer an outstanding suite of solutions that can transform the way your business works.

● **HP Wolf Security<sup>1</sup>** - A comprehensive security solution that helps safeguard your critical data and systems. Our hardware-based self-healing solutions, like HP Sure Start, ensure that your computer is always running on trusted firmware along with advanced threat protection and multi-factor authentication options to protect your devices and data from unauthorized access.

● **Sustainability** - The fastest way to achieve your sustainability goals is to partner with HP as we aim to be the world's most sustainable and just tech company. HP continues to set bold, long-term goals - this includes the design and delivery of our products and solutions. Since 2017, we have launched over 300 new products around the world containing ocean-bound plastic<sup>2</sup>.

● **Reliability** - Our Commercial PCs undergo more than 120,000 hours of testing and pass MIL-STD 810H tests<sup>3</sup>, which assess durability and resilience in challenging environments. These tests include everything from drops, shocks, and vibrations to extreme temperatures, humidity, and dust.

● **Product Lifecycles and Transitions** - Get notified about the discontinuation date of your product. HP typically plans for 3-6 months of overlap between legacy and replacement platforms through custom communication sent to your administrator.

● **HP Long-Life Battery Warranty** - For HP Commercial PCs, our battery warranty matches the system warranty without additional cost.

● **Global Service and Support** - Our global network of People, Products, Programs, and Processes help keep businesses up and running with enterprise-level, global support.

● **Dedicated HP Account Team** - HP's highly skilled and dedicated HP account team will provide you with comprehensive insights and ensure the right resources are aligned to meet your specific requirements. We're here for you. Reach out to your account rep today with any questions.

### Disclaimers:

1. HP Wolf Security for Business requires Windows 10 or 11 Pro and higher, includes various HP security features, and is available on HP Pro, Elite, RPOS, and Workstation products. See product details for included security features.
2. As of December 31, 2021. Not all products are available in all countries.
3. MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
